- Download your author specific image to share on Facebook which will be available in the private Facebook group.

Sample Tweet

The screenshot shows a Twitter post interface. At the top left is a circular profile picture of a woman. The tweet text reads: "Join me at Imagine Other Worlds with Authors, a #book #signing event in @CityofCRIowa in July '18. <http://ia-otherworlds.com>. #OtherWorlds18". To the right of the text are icons for emojis and a retweet symbol. Below the text is a large rectangular area where an image was intended to be placed, but it is currently a placeholder. A white box with the text "No file chosen" is overlaid on the left side of this area. The placeholder image shows a bookshelf with a circular overlay containing the text: "Join Us for IMAGINE OTHER WORLDS WITH AUTHORS 2018. Follow us on Facebook to get the latest updates!". Below the placeholder is a "Who's in this photo?" prompt with a person icon. At the bottom of the interface are icons for adding photos, GIFs, lists, and locations, along with a prominent "Tweet" button on the right.
